Honolulu Biennial is a celebration of contemporary art! On display will be work by international contemporary artists alongside local artists, emphasizing Hawai'i's notable, but under-recognized artistic contributions on a global platform. This 2 month long event will highlight Honolulu as a fresh destination for international and national arts and cultural visitors, fostering a cultural awakening and repositioning our city as central to the Pacific-wide growth of arts, technology, and commerce.

Mayor Kirk Caldwell and the City and County of Honolulu are proud to support this multi-venue exhibit, with Honolulu Hale and Foster Botanical Garden acting as host locations for work.
